The Cooperation Nation Scenario

The background of the image is a close-up, slightly blurred view of the South African flag. The flag's colors—red, white, green, yellow, and blue—are arranged in a distinctive Y-shape. The red is at the top, followed by white, then green, yellow, and blue at the bottom. The flag appears to be waving, with soft shadows and highlights on the fabric.

Alan Paton, 1985
